How to cancel your RideHub booking

Open My Bookings, select the booking and use the cancellation option before pickup.

Terms and conditions

1. Platform role. RideHub helps users discover shops and vehicle listings. The rental agreement is between the customer and the shopkeeper.

2. Accurate information. Users and shopkeepers are responsible for keeping account, listing and contact details accurate and lawful.

3. Availability and pricing. Search results are indicative until the shop confirms the requested dates and final terms. Review the displayed price, deposit, documents and cancellation conditions before confirming.

4. Safe use. Do not misuse accounts, submit false documents, bypass eligibility requirements or use a vehicle unlawfully. Shops may set reasonable rental and handover requirements.

5. Project status. RideHub is an academic project; features may change during development. This summary is informational and is not a substitute for a signed rental agreement or legal advice.
